### Website Accessibility Statement

We would like everyone who uses our website ([www.swantonmorleypc.info](http://www.swantonmorleypc.info)) to be able to find, read and understand our content, so we work to achieve and maintain the AA standards of the Web Content Accessibility Guidelines (WCAG) 2.1.

## Technical information about this website's accessibility

Swanton Morley Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is **partially** compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the non-compliances listed below:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- some finance documents are scanned images which cannot be read by a screen reader

## PDFs and other documents

Many of our older PDFs and Word documents do not meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2.

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs of meeting minutes and agendas as well as policy and procedure documents. From April 2020, we plan to gradually replace policy and procedure documents with accessible PDFs or HTML pages.

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services. For example, we do not plan to fix old copies of meeting minutes. Any new PDFs or Word documents we publish will aim to meet accessibility standards.
